

# CASH IN ON SAVINGS WITH YOUR CO-OP CONNECTIONS CARD

## **Valuable Discounts**

As a card-carrying Co-op Connections member, you can use your new card/key fob at any local or national participating business.

Receive 10-50% discounts on products and/or services and 10-60% off prescriptions at participating pharmacies.

## **How To Use Your Card**

Simply show your card at the register to receive your discount. Participating pharmacies will need to see the back of your card indicating the benefits discount plan that provides your prescription benefits.

## **Where Can You Use Your Card**

Spotting a participating business is easy. Look for the Co-op Connections Card sticker on business doors or cash registers or visit [www.mohaveelectric.com](http://www.mohaveelectric.com) and click on Co-op Connection. You may also price your prescription online prior to purchase.

## **When Will You Get Your Card**

In January you will receive a special mailing with your card and two key fobs. The card is free, it doesn't expire, there are no charges or fees, and any member of your family can use it. It almost sounds too good to be true, but in this case it is for real.
