

RENEWABLE ENERGY INCENTIVE TARIFF (REST)
Uniform Credit Purchase Program Application

RESERVATION FORM

This form to be used to request incentive funds from the Renewable Energy Standards Tariff.

Your request in the MEC REST program assumes that you will owner-occupy the structure and operate your system continuously for a period of ten (10) years after you receive the incentive payment from MEC. Leased systems do not qualify for the incentive program.

After completing the form, sign and submit to the Energy Management Department to be considered for incentive funds. If funds are not available at the time your reservation form is received you will be placed on a wait list until there are sufficient monies to fund the request. The wait list is based on a first come first serve basis. When the funds become available, the member will be notified to complete the full enrollment packet (Uniform Credit Purchase Program Application and the Interconnect Agreement). The member will have a 60 day period to begin the installation process once the funds have been obligated by Mohave Electric.
